New Rose
Royal Cluster

Our New Rose ROYAL CLUSTER, (Dawson x Hermosa) is a hardy double white climbing rose.

The name "Royal Cluster" has been given it because of the great size and beauty of its clusters. One hundred and nineteen flowers and buds have been counted in one cluster at a time. The flowers are white, generally tinged with blush when breaking; of medium size, quite double, beautifully formed and durable; making Royal Cluster the very best companion for the Crimson Rambler yet introduced, and no doubt will become a popular forcing rose. Royal Cluster is a vigorous climber and a free bloomer, continuing a long time in bloom. It is a sterling novelty, particularly for the Catalogue trade. Price—2½ inch, $6 per hundred; 3-inch, $10; 4 inch, $20.

New Rose MAY QUEEN, Mrs. Degraw x Wichuriana.

This valuable new Rose improves upon acquaintance. It is wonderfully hardy—seems to enjoy a temperature of 20° below zero May Queen is a vigorous climber, and has a very handsome foliage. The flowers are double, and are borne in clusters; the color is a clear coral pink. Price—Strong plants from 2½-in pots, $6 per 100; 3 in pots, $10 per 100; 4-in pots, $20. Strong field plants, 5 to 6 feet, $30 per 100.

New Rose RUBY QUEEN, Queen Scarlet x Wichuriana.

Hardy as May Queen. Bears bright, rich, ruby red flowers, with white centre. The flowers are double, about three inches across; they open out flat and perfect, and present an uncommonly bright and showy appearance. It is a rapid grower, and has handsome dark green foliage. Price—Strong plants from 2½ inch pots, $6 per 100; 3-inch, $10 per 100; 4 inch, $20 per 100; field plants, $30 per 100.

THE RAMBLER ROSES.

Crimson Rambler—A hardy vigorous climber, bearing immense clusters of the most brilliant colored roses ever seen. Intense growing crimson, and in such wonderful profusion that the whole plant appears a mass of bloom for weeks at a time. Price—Strong one year field plants, $10 per hundred 3-inch pots, $5 per 100.

Yellow Rambler (*Aglaia*)—A very strong-growing, hardy climbing rose; claimed to be the only yellow climbing rose. A companion of the "Crimson Rambler." Bears large clusters of roses of a decided yellow color. Price—2½-inch plants, $4 per 100; field plants, $8, $10, $12 per 100.

White Rambler (*Thalia*)—Similar to "Yellow Rambler" in its habit of growth. The flowers are pure white; it is an attractive, hardy, white climbing rose Price—Plants from field, $10 and $12 per 100; 2½-in $4 per 100.

Pink Rambler (*Euphrosyne*)—Similar to the above, bears large clusters of bright pink flowers. A strong, vigorous grower and tremendous bloomer. Price—2½-in pots, $4 per 100; strong field plants, $10 and $12 per 100.

PENZANCE SWEET BRIARS.

Nice one-year field plants, $10 per hundred.

Empress of China—A hardy climbing rose, resembles a tea rose Blooms the first year; color, dark pink. A splendid rose for training over porches, arbors, etc. Nice bushy field plants, $8 per 100; 2½-in pots, $4.

Eugene Jardine—A free-blooming white climber. Flowers are large, full and fragrant. It is entirely hardy, and a rapid, strong grower. Price—Two-year field plants, $10 per hundred.

Garland—A fine old English climbing rose. Bears large clusters of pure white flowers. Strong field plants, three feet and over, $8 per hundred.

Greville, or Seven Sisters—Flowers in large clusters; the color varies from white to crimson. One year field plants, $5 per hundred; two-year, $7.

AMERICAN Pedigree Cannas.

New introductions for 1899 of The Conard & Jones Co.

10 Distinct Varieties of Exceptional Merit. 10

NOTHING succeeds like success, and this applies to **CANNAS** as well as to individuals. The great success and the increasing appreciation of our previous introductions of the **American Pedigree Cannas,** assures us that the 10 varieties that we offer this year will also meet with favor, and that the influence of their beautiful growth and bloom will widen the circle of success for the ever-improving varieties still to come.

10 GRAND NEW CANNAS.

Conqueror—Remarkable for its enormous trusses; large, attractive, well-shaped flowers of great substance; habit erect. The petals are often three inches long by two inches broad, and very thick and durable. Color, rich orange scarlet dappled all over with bright maroon, and beautifully edged with golden yellow. Makes fine massive plants with handsome deep green foliage, and is recommended as one of the grandest and most showy of all cannas. Dormant Roots, 75c each; pot plants, 85c.

Empress of India—Gaudy as the Empress herself The peculiar blending of colors makes it exceedingly showy and distinct. The flowers have good form and the heads grow erect; height, about three feet. Color, rich golden yellow, strongly dashed, splashed, and mottled with rich, bright, tawny crimson; foliage light green. Dormant roots, 65c each; pot plants, 75c.

Abraham Lincoln—A noble variety; very vigorous; grows six to seven feet high; flowers very large and fully expanded, and borne in large, well-filled, long trusses; broad, thick, velvety petals. Color, solid crimson; an early and most profuse bloomer; highly recommended for centre pieces and wherever tall-growing brilliant colored kinds are wanted. Dormant roots, 60c each; pot plants, 75c.

Winona—Fine handsome flowers, borne erect in enormous, well-filled trusses. Color, deep maroon crimson with fine velvet shading; each petal having a narrow border of bright golden-yellow, very rich and velvety and entirely distinct in color and habit. Handsome light green foliage, three to four feet. Dormant roots, 65c each; pot plants, 75c.

Alberta—A very distinct and showy variety. It has well-formed, erect heads. Color, bright, flashing crimson; petals shading deeper towards the edges, and broadly bordered and mottled with rich golden yellow. Reverse of petals elegantly mottled yellow and crimson. Very handsome; three to four feet. Dormant roots, 65c each; pot plants, 75c.

Luray—A splendid strong growing pink variety. Foliage especially fine. It has large, well formed flowers of a very attractive rosy pink color. Trusses are large, well formed and borne erect. A very free bloomer. Dormant roots, 75c; pot plants, 85c.

Black Prince—A magnificent new variety; a seedling from our famous Duke of Marlborough, but darker and deeper in color—intense dark velvety maroon, almost black; extra large flowers, frequently five to six inches across, in large bold trusses; grows strong and erect, three to four feet; fine dark red stems and deep green leaves edged with purple. Selected from thousands of our seedlings as the best and darkest crimson canna to date. Dormant roots, 63c; pot plants, 75c.

Tennyson—Fine beautifully formed flowers, borne in large, erect branching heads. Color, deep rose pink. Petals deliciously marked and shaded with buff and fawn; quite distinct and handsome, and as flowers are well borne up above the foliage, it shows up well in bedding. Dormant roots, 65c each; pot plants, 75c.

Starlight—After our well-known Alsace, this is the nearest white large flowering variety to date. May be described as soft creamy yellow, passing to rich creamy white as flowers expand; blooms in large, heavy, well built trusses, showing well above the foliage; a fine bedder; distinct and handsome, Dormant roots, 65c each; pot plants, 75c.

Shenandoah—A splendid red or bronzed leaved variety, and the most unique novelty to date. The foliage is rich ruby red, exquisitely veined and tinted like some rare hot-house plant. It bears fine large trusses of beautifully waxy rose pink flowers, and unlike other red-leaved sorts, is a most early and abundant bloomer, highly ornamental, and sure to be in large demand as soon as known. Dormant roots, 65c each; pot plants, 75c.

SPECIAL OFFER The set of 10 New Cannas, Dormant roots, only $5. Potted plants, $6. After April 1st will only have potted plants.

The C. & J. American Pedigree CANNAS

RED or CRIMSON SHADES.

Philadelphia—This splendid new Crimson Canna has now been thoroughly tested, and is pronounced by the best judges the brightest and most beautiful crimson canna yet introduced. Grows about three feet high, makes handsome, and well balanced plants and splendid trusses of large, finely-formed flowers, which fall off as they fade and leave room for the new ones, which bloom out bright and clear during the whole season; an early and continuous bloomer, and decidedly the very best and brightest crimson canna to date. Price—$8 per 100.

George Washington—We believe this is the grandest canna of its color yet introduced; the flowers are deep velvety crimson, exquisitely shaded, very large size with broad rounded petals, and borne erect in large massive trusses, an altogether noble variety of exquisite finish. Price—Pot plants, $1 each.

Champion—Enormous trusses of superb flowers of largest size and perfect finish; color, bright crimson scarlet, exceedingly fine. Price—Pot plants only 50 cts. each.

Emma—An exceedingly thrifty grower; color, crimson; trusses, large and well-formed; foliage fine. $3 per 100.

Pillar of Fire—The giant of its class, grows six to seven feet high, flowers, bright crimson scarlet, borne in erect spikes like blazing torches. Continuous bloomer, invaluable for centre of beds, etc. $3 per 100.

Duke of Marlborough—This is the darkest colored canna yet introduced. Dark rich velvety maroon. Finely shaped flowers in large, well balanced trusses. A handsome, vigorous grower and quick constant bloomer. Undoubtedly the darkest and richest colored Canna to date. Price—$4 per 100.

Triumph—A handsome shade of deep rich crimson. Large flowers in fine, well built trusses, borne erect on strong stems. A good vigorous grower and constant bloomer. Price—$4 per 100.

Blazing Torch—Brilliant crimson scarlet, fine widely expanded flowers, trusses large and erect. Height, 4 feet. Price—$10 per 100.

Baltimore—Large erect spikes of handsome flowers, rich bright red, with golden yellow throat, leaves beautifully edged with purple, a first-class sort, distinct in color and habit. Height, 3 feet. Price—$6 per 100.

Favorite—Color pomegranate red, the only canna of this shade. Trusses medium size and erect, foliage good. Price—$3 per 100.

Giant Crimson—Grows five to six feet high. Color, intense glowing crimson. Price—$3 per 100.

C. & J. CANNAS, Pink Shades.

Martha Washington — This is undoubtedly the most superb pink variety yet introduced. The flowers are very large and frequently have five broad petals; the trusses are immense, and the color pure bright rose; very beautiful and attractive, a vigorous grower and a most constant and abundant bloomer. Height about 3 feet. $15 per 100.

Rosemawr—We ask particular attention to this grand new variety, which is undoubtedly one of the most showy and handsome of all the pink cannas. Its enormous masses of flowers and exquisite color attract immediate attention. The flowers are extra large, having broad, well-rounded petals frequently two inches across. The color is bright, rosy pink, elegantly mottled with rose, shaded rich golden yellow at throat. The trusses are immense, and borne just the right distance above the foliage to show to best advantage. The flowers are very durable, and retain their bright handsome color through all kinds of weather. The plant makes a vigorous, handsome growth, averages about three feet in height and is an early and continuous bloomer. We recommend it as one of our very best kinds both for bedding and house culture. $8 per 100.

Annie Laurie—A most charming and lovely variety, bearing exquisite spikes of flowers, rivaling the finest Gladiolus in color, which is exquisite silver rose, with distinct white throat, very beautiful. Height, 2½ feet. Price—$2 per dozen.

Enchantress—Fresh bright clear pink. Flowers of grand size, with large rounded petals, and borne in splendid erect trusses, an early and constant bloomer; very impressive; 4 feet. Price—$1.80 per dozen.

Maiden's Blush—Very beautiful pure pink flowers, borne in fine compact trusses, continuously all through the season, the only variety of this color yet introduced; grows neat and compact. 2½ feet high, handsome deep green foliage, one of the most distinct and pleasing sorts. Price—$4 per 100.

Pink Ehmanii—A most grand and handsome plant, large banana-like foliage, with bright rose-pink flowers. A truly noble canna. Price—$3 per 100.

Rosy Morn—Pretty buff salmon flowers, elegantly bordered and mottled with pale yellow and deep rose. Price—$1.80 per doz.

Rose of May—A pleasing shade of bright rosy pink, erect well-shaped trusses, fine foliage. Price—$3 per 100.

Zephyr—A very handsome dwarf growing sort, large finely formed flowers, in handsome well-filled trusses; color light rose, passing to deep rose, exquisitely shaded, begins to bloom while small, fine for pots and edging; height, 2 feet. Price—$2 per dozen.

Virginia—Large beautiful flowers, fully 5 inches across. Color rose pink, large erect trusses, with handsome foliage, very vigorous. Price—$1.40 per doz.; $10 per 100.

Duchess of Marlborough—Beautiful shade of clear rosy pink, foliage very fine. Price—$3 per 100.

ORCHID FLOWERING CANNAS.

New Yellow Canna BURBANK—Grows 5 to 6 feet high: flowers 6 to 7 inches across, mostly semi-double; beautiful rich canary yellow; throat finely spotted with crimson. Price—$3 per 100.

ITALIA—Immense flowers of the true Orchid form; centre brilliant red, petals widely bordered with clear yellow. Price—$2.50 per 100.; $20 per 1000.

AUSTRIA—Fall grower, large yellow flowers, splendid foliage. Price—$2 per 100.; $15 per 1000.

C. & J. CANNAS, Yellow Shades.

Buttercup—Real bright buttercup yellow, large, handsomely formed flowers in fine open trusses, always clean and bright. It bleaches less in sunshine than any yellow canna, and like Philadelphia, it sheds the old flowers, thus leaving the trusses always bright and fresh. We can recommend it as the very best yellow canna. Price—$2.50 per doz.; $20 per 100.

Queen Ellenor—The finest yellow spotted canna, grows 3 to 4 feet high; very symmetrical and handsome, an early and constant bloomer. Color, rich golden yellow, elegantly spotted with bright scarlet. Price—$3 per 100.

Dr. Nausen—Large branching trusses, with fine open flowers of clear pure yellow. The petals are thick and durable; foliage good. Price—$10 per 100.

California—Pure orange gold, a very rare and handsome shade, and one of the finest of this color. Price—$1 per 100.

Brilliant—Flowers of medium size, borne in solid regular trusses, pure golden yellow with a deep maroon stripe, very striking and distinct. Different from all others. Price—$3 per 100.

Sunset—A charming new variety. Fine creamy-yellow, delicately penciled with lovely sunset tints; orange, lemon and fawn; medium size flowers in large well-filled trusses. Price—$3 per 100.

Orange Queen—(C. & J.)—Dwarf compact grower, very free bloomer; fine orange gold, very distinct and beautiful. Price—$3 per 100.

Marigold—Deep orange color, a very vigorous grower, and free bloomer. Price—$3 per 100.

Coronet—Fine yellow, constant bloomer, good bedder, handsome and desirable. Price—$3 per 100.

Primrose—Color, fine Primrose yellow, free bloomer, a very good variety. Price—$4 per 100.

Golden Pearl—The dwarf Canna; color deep golden yellow, delicately shaded with marrow. Height 1½ to 2 feet. Price—$4 per 100.

C. & J. CANNAS.—White, Variegated Shades, Etc.

Alsace—Still the nearest approach to a white canna, an exceeding free bloomer, will produce effects in bedding that no other canna can. Price—$3 per 100.

Augusta—Flowers 5 inches across, intense scarlet, widely bordered with clear golden yellow, largest gilt-edged variety to date, and entirely distinct in color and form from all others. Height, 3 feet. Price—$5 per 100.

Gloriosa—Color bright rich crimson, with wide border of deep golden yellow. One of the most showy and handsome varieties. Invaluable for bedding and also for house culture. Price—$4 per 100.

Mount Etna—Magnificent dark purple foliage; large, bold, erect trusses. Flowers of largest size and intense brilliant crimson; the most superb dark leaved variety to date. Exceedingly fine for single specimens, centre of beds, etc. A strong, robust grower. Needs plenty of room to show its superb form and foliage. Price—$3.20 per doz.; $25 per 100.

Othello—New purple leaved canna. Dark rich purple foliage. An early and constant bloomer; bearing large trusses of splendid orange scarlet-flowers; one of the most beautiful dark leaved varieties ever offered. Price—$3 per 100.

Lorraine—An entirely new and charming combination of colors. Soft rose pink, widely bordered with creamy white, Fine erect heads of large, well-expanded flowers, constant and free bloomer. Price—$3 per 100.

Albino—(New 1897)—Pink centre broadly margined with ivory white, large finely formed trusses of charming flowers. Entirely novel and distinct. Price—$4 per 100.
